Leatherette Cinghialino

Details:

Leatherette Cinghialino

This faux leather can be used in covering seats, armchairs and interiors of vintage cars or for the creation of vintage-style upholstery. Pleasant grit "cinghialino", particularly appreciated by vintage lovers.

Special promotion on purchases over 5 meters!

Faux-grained leather Cinghialino for vintage car interiors and upholstery construction with vintage look. For sale at Collini Atomi you will find all the materials for the interior restoration of vintage cars.
